---

Professor Hutzschenreuter holds the Chair of Strategic and International Management at Technical University of Munich (TUM). Since 2020, he is Vice Dean International Affairs & Alliances. Before joining TUM, Professor Hutzschenreuter taught at Handelshochschule Leipzig, Boston University, and WHU – Otto Beisheim School of Management. He was a visiting professor at Duke University, Fuqua School of Business, Bucerius Law School, Florida International University, and University of Calgary – Haskayne School of Business. At TUM School of Management he serves as the incoming Vice Dean for International Affairs and Alliances as well as the Academic Director of the "Master in Management and Innovation", a double degree program of TUM and HEC Paris. Professor Hutzschenreuter has been invited for keynotes and guest speeches by multiple international universities and institutions. He is board member of the Offshoring Research Network, a global research community.

Professor Hutzschenreuter has extensive experience in designing strategies and governance structures. He worked for leading large and medium sized enterprises from different industries and conducted multiple research cooperation projects with renowned organizations. His work focusses on the following core areas of strategic management:

- Development of competitive and corporate strategies (growth strategies and portfolio development) including implementation concepts for structures and processes
- Development of governance structures for corporations, foundations, and universities
- Offshoring, business process outsourcing as well as mergers & acquisitions
- Transformation of established enterprises

Professor Hutzschenreuter published in leading international journals, such as *Strategic Management Journal*, *Journal of International Business Studies*, *Journal of Management Studies*, *Journal of Management*, *Leadership Quarterly*, and *Strategic Organization*. Currently, he is a Senior Editor of *Management and Organization Review*, and Editorial Board Member of multiple highly ranked international journals.

In 2018, he received the „Executive Education Award for Teaching Excellence“ by *TUM School of Management*. His research received multiple national and international awards, such as the “Haynes Prize for the Most Promising Scholar in International Business“ by *Academy of International Business*, the “Best Annual Paper Award” by *Journal of Management Studies*, and the “Best Annual Paper Award” by *Verband der Hochschullehrer für Betriebswirtschaft*. Moreover, he received the “Best Teacher Award“ by *Bucerius Law School and WHU* as well as the „Best Senior Editor“ award by *Management and Organization Review*.
